PROSPECTUS

ABOUT US

NIHER is run by a Charitable Organization , NEXUS EDUCATIONAL TRUST (NET), which has over 3 years expertise in contributing towards education .

NIHER is the brain child of our visionary directors , namely Mr. S.K.Mishra (Director , Admin.) , Dr. A.Chandra (Director Education) as well as Mr. Sujeet Kumar Suman (Director Mkt.) All these three mentors has given an immense contribution in improving the quality of education and providing the best facilities to the students of Mithilanchal. Darbhanga is a district where best of the best minds exists but the problem has been the inefficient nurturing of these minds , the students from the region had to always look to the METRO Cities for quality education . It is same with the HealthCare Education (Paramedical & Pharmacy) facilities which are of very poor standards available to the local people around town. Citing these reasons, the Nexus Institute of Health Education and Research (NIHER) came into inception .

NIHER campus is spread over 20K sq.ft. area with fully equipped practical facilities with various hospitals of the city. The campus is well connected and is on par with best paramedical and pharmacy Institution in the capital of Mithilanchal – Darbhanga.

The unitary campus consists of Institution building , separate Hostels for boys and girls, Mess etc.

MISSION & VISION

Health and Education are the two main pillars of human progression and development. The mission of the NIHER is to provide world class knowledge and skill to the students regarding society or community services. In today's world where globalization has penetrated into every aspect of our lives, education plays a major role in the advancement of one's social life especially when competition is the norm of the day. We make them capable of functioning effectively in the hospitals as well as in the community.

We are very confident with the facilities provided at our Institution like , excellent lab set up and the eminent facilities will definitely derive your career in the upward direction.

VISION

A healthy body with healthy mind creates wonder. Our vision is to make NIHER as the learning and research centre of the country where best minds are nurtured to give the best back to the society.

At NIHER , we strongly believe in harnessing the power of knowledge and skill by combining learning with extensive application based study and medical ethics, thus maximizing over all potential and nurturing winning mentality in each of our students. We ironically believe in a radical approach towards learning and education with in – depth study as well as maintaining the standards of teaching techniques , encouraging a practical application of knowledge and skill in association with a code of ethics, hence exposing one's inner self and providing the perfect edge.

AIMS AND OBJECTIVES

The utmost aim in paramedical and pharmacy course programme is to prepare the students to assume a responsibility in preventive , promotive and curative care of the peoples. The are prepared to assume top level position on all areas of healthcare and are expected to participate in pandemics like Corona etc.

Objectives

1. To meet the acute shortage of qualified paramedics and pharmacy personnel in the Pan India level.
2. To Promote and strengthen the paramedical skills.
3. To cultivate paramedics as Administrator and Educators in the Healthcare sectors.
4. To cultivate trained and skilled paramedics to cope with advancement in medical science and technology.
5. To enable the paramedical and pharmacy students to get the job opportunities and push them in better positions.
